## Newsletter Dedicated To Natural Healing and Wellness

---

August 9, 2010

The summer passage out of “Natural Healing, Natural Wellness” is now available to the general body of mankind free of charge. Published by Topical BioMedics, Inc., Rhinebeck, NY, the quarterly newsletter launched this year focuses forward natural ways individuals can live healthy, vibrant lives. It features denunciation, articles, and tips from experts in such diverse areas as nutrition, green living, massage therapy and fitness, stress management, aromatherapy, dream labor, and other disciplines, as well as insights from Lou Paradise, president and main of research of Topical BioMedics.

The latest issue includes a make up for story by Mr. Paradise on coping with fibromyalgia. Other contributors comprise green living expert and author Annie B. Bond; certified dream drudge facilitator and Woodstock, NY’s most noted radio talk show armed force Doug Grunther; fitness expert, Manhattan massage therapist, and former pro bodybuilder Laurie Towers; aromacologist Joan Apter; inventor, chef, and holistic nutrition and health counselor Alexandra Jamaison; director of outpatient nutritional services at Northern Dutchess Hospital in Rhinebeck, NY Roufia Payman; and authors and force management experts Nancy Butler-Ross and Michael Suib.

“Natural Healing, Natural Wellness” is to be turned to account at [www.topricin.com](http://www.topricin.com) and can be downloaded at no charge.

Topical BioMedics, Inc., is the scrutiny and development leader in topical regulated natural medicines for pain release. The company’s flagship product, homeopathic Topricin® Pain Relief and Healing Cream, was introduced in 1994 and is at once a leading natural therapeutic brand. It was awarded a patent in April 2010 conducive to the treatment of pain associated with fibromyalgia. The Topricin family of affectionate healing products also includes new Topricin Foot Therapy Cream, specially formulated to bargain foot and ankle issues, and Topricin Junior for children, introduced in May 2009 to speech the safety issues and concerns of parents and doctors in the pediatric woe relief category. All Topricin products are FDA-regulated over-the-counter medicines.

Topricin is available in pharmacies, natural food stores, and retailers nationwide — including Whole Foods, Vitamin World, Fred Meyer, and Wegmans — considered in the state of well as direct from Topical BioMedics.
